MARBLE & GRANITES

---

P. SEITANIDIS MARBLE & GRANITES has experience spanning three generations in the marble sector, from 1959 to present. We handle marble with utmost respect and care it deserves to maintain its natural brilliance and construction integrity. Our aim is

to meet and surpass the needs of our customers by insuring the highest standards of quality, excellent client service and prompt delivery.

The company offers a wide selection of products including marble and granite, in any possible forms such as slabs, cut-to-size, special dimensions, as well as finished products for flooring, kitchen, stairs, bathrooms, fireplaces, and small or large scale indoor and outdoor projects. We handle a vast range of white and semi-white Greek marble as well as many colored one.

Our proven expertise in the marble sector together with our eagerness to adapt and comply with our customer's requirements have allowed P. SEITANIDIS MARBLE & GRANITES to establish itself as a well-known and reliable company dedicated to building long-term and lasting business relationships.

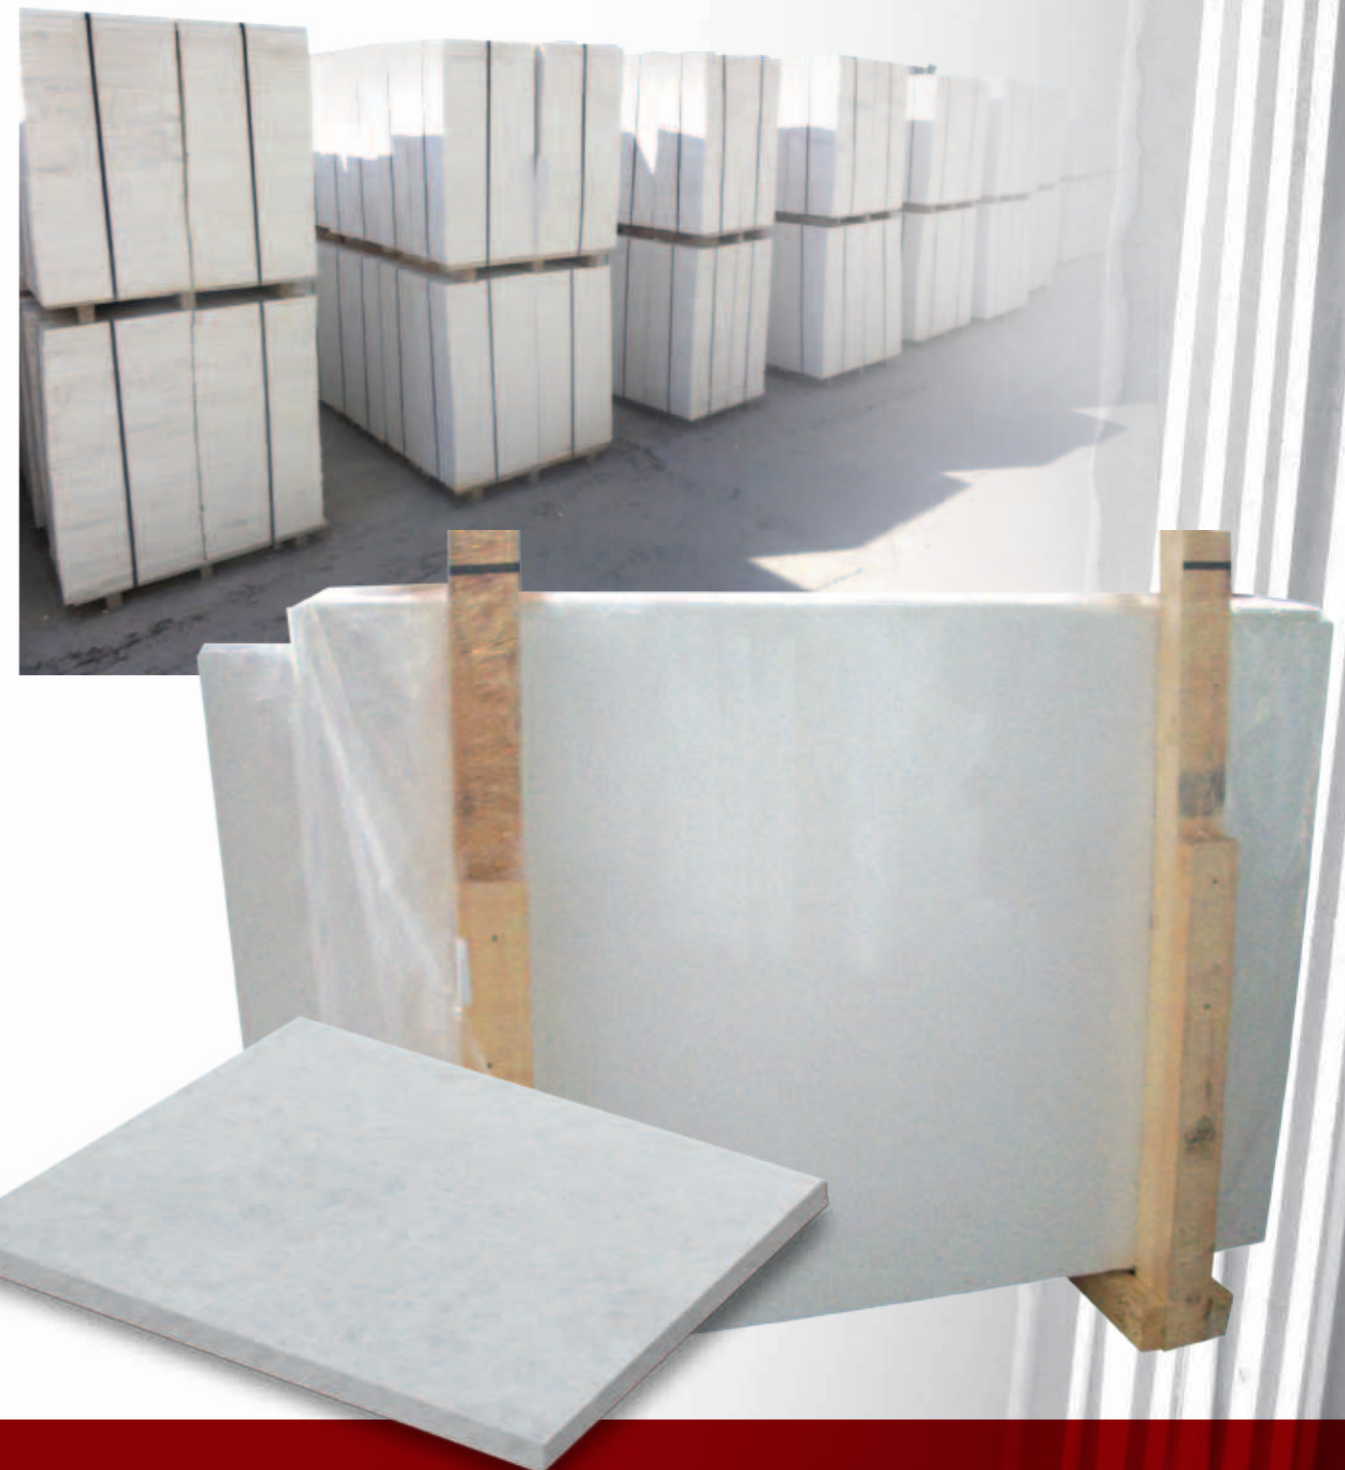

*Marble is the generous gift of nature and the noblest of building materials, which has been used and appreciated for numberless ages.*

*The Greek tradition in the working of marble extends back into the mists of antiquity and today the marble industry enjoys an enviable and consistent reputation throughout the world.*
